

# Jingle Bell Pop

IM5

It's that time of the year, yeah, that time of the year  
When everybody's feeling very merry  
All the girls and the boys got stockings loaded with toys  
But that don't make me happy

Ooh woah oh  
Get me in the mood  
Yeahhh  
Play my favorite tune  
It would make my Christmas Day  
So gather 'round the fireplace

And light up the night with lights everywhere  
We're spreading all that good old holiday cheer  
So please don't let the good times stop  
Play that jingle bell  
Play that jingle bell pop  
Every house on the street is all red and green  
Santa will come sliding down the chimney  
Can't you hear reindeer on the rooftop?  
Don't let the good times stop  
Play that jingle bell pop

Ooh woah oh  
Yeahhh  
Ooh woah oh  
Come on play that jingle bell pop

It's that time of the year  
That time of the year  
Where everybody's feeling holly jolly  
They are led to the stores  
With wishes galore  
My only wish is that we find some parking

Ooh woah oh  
Get me the mood  
Yeahhh  
Play my favorite tune  
If you hear that winter jam  
I'll be in winter wonderland

And light up the night with lights everywhere  
We're spreading all that good old holiday cheer  
So please don't let the good times stop  
Play that jingle bell  
Play that jingle bell pop  
Every house on the street is all red and green  
Santa will come sliding down the chimney  
Can't you hear reindeer on the rooftop?  
Don't let the good times stop  
Play that jingle bell pop

I don't want this night to be silent, silent  
Come on play that jingle bell pop  
I don't want this night to be silent, silent  
Come on play that jingle bell pop

I don't want this night to be silent, silent  
Come on play that jingle bell pop  
I don't want this night to be silent, silent  
Come on play that jingle bell poppppppp

And light up the night with lights everywhere  
We're spreading all that good old holiday cheer  
So please don't let the good times stop  
Play that jingle bell  
Play that jingle bell pop  
Every house on the street is all red and green  
Santa will come sliding down the chimney  
Can't you hear reindeer on the rooftop?  
Don't let the good times stop  
Play that jingle bell pop

Ooh woah oh  
Yeahhh  
Ooh woah oh  
Come on play that jingle bell pop  
Ooh woah oh  
Yeahhh  
Don't let the good times stop (Ooh woah oh)  
Stop, stop
