Bleeding Out

Imagine Dragons

```
Em              C
  I'm bleeding out
      G                   D
if the last thing that I do
    Em         C
Is bring you down
      G           D
I'll bleed out for you
        Em
So I bare my skin
       C
And I count my sins
       G
And I close my eyes
       D
And I take it in
     Em         C
I'm bleeding out
     G               D
I'm bleeding out for you
       Em
For you
```

```
Em C G D (2x)
```

```
        Em        C
When the day has come
        G             D
That I've lost my way around
        Em        C
And the seasons stop
     G               D
And hide beneath the ground
         Em         C
When the sky turns gray
     G           D
And everything is screaming
       Em     C
I will reach inside
       G                   D
Just to find my heart is beating
```

```
       Em           C
Oh you tell me to hold on
       G         D
Oh you tell me to hold on
     Em           C
But innocence is gone
     G               D
And what was right is wrong
```

```
'Cause I'm bleeding out
So if the last thing that I do
Is to bring you down
I'll bleed out for you
So I bare my skin
```

And I count my sins
And I close my eyes
And I take it in
I'm bleeding out
I'm bleeding out for you
For you

When the hour is nigh
And hopelessness is sinking in
And the wolves all cry
To fill the night with hollering
When your eyes are red
And emptiness is all you know
With the darkness fed
I will be your scarecrow

You tell me to hold on
Oh you tell me to hold on
But innocence is gone
And what was right is wrong

'Cause I'm bleeding out
So if the last thing that I do
Is to bring you down
I'll bleed out for you
So I bare my skin
And I count my sins
And I close my eyes
And I take it in
And I'm bleeding out
I'm bleeding out for you
For you

I'm bleeding out for you
For you
I'm bleeding out for you
For you
I'm bleeding out for you
For you
I'm bleeding out for you

'Cause I'm bleeding out
So if the last thing that I do
Is to bring you down
I'll bleed out for you
So I bare my skin
And I count my sins
And I close my eyes
And I take it in
And I'm bleeding out
I'm bleeding out for you
For you
