kapo 2

**Ami**            **C**                    **G**  
1. I'm waking up to ash and dust  
                         **D**                    **Ami**  
I wipe my brow and I sweat my rust  
**Ami**                    **C**                    **G**  
I'm breathing in the chemicals (Gasp)  
**Ami**                    **C**                    **G**                    **D**                    **Ami**  
I'm breaking in, shaping up, then checking out on the prison bus  
                         **C**                    **G**                    **D**  
This is it, the apocalypse, whoa

**Ami**                    **C**  
R: I'm waking up, I feel it in my bones  
                         **G**                    **D**  
Enough to make my systems blow  
**Ami**                    **C**  
Welcome to the new age, to the new age  
**G**                    **D**  
Welcome to the new age, to the new age  
**Ami**    **C**                    **G**                    **D**  
Whoa, whoa, I'm radioactive, radioactive  
**Ami**    **C**                    **G**                    **D**  
Whoa, whoa, I'm radioactive, radioactive

**Ami**                    **C**                    **G**  
2. I raise my flags, dye my clothes  
                         **D**                    **Ami**  
It's a revolution, I suppose  
                         **C**                    **G**                    **D**  
We're painted red to fit right in, whoa  
**Ami**                    **C**                    **G**                    **D**                    **Ami**  
I'm breaking in, shaping up, then checking out on the prison bus  
                         **C**                    **G**                    **D**  
This is it, the apocalypse, whoa

**Ami**                    **Cmaj7**    **G**                    **D**  
All systems go, sun hasn't died  
**Ami**                    **Cmaj7**    **G**                    **D**  
Deep in my bones, straight from inside

R:
