

Road Runner

Imelda May

Get up, roll up
Goin up in the world
Goin round, yeah round
Goin round in a whirl
Gettin by I'm fly that's movin so fast
Never stop.
Cause I'm having a blast

Never slow down dk dk down down
dk dk down down
dk dk down down

Gettin high, gettin love
Oh as good as a drug
I got a great, great feelin
I'm as snug as a bug
I got no class
No glass celing to break
Never stop.
Cause I'm on the make

Never slow down dk dk down down
dk dk down down
dk dk down down

I'm a road runner, I'm road running
yeah I'm a road runner oh...
I'm a road runner, I'm road running
yeah I'm a road runner oh...

B-B-B-Bye boo
Yeah I'm lookin at you
Don't tie yourself to your womanly dues
You gotta run gotta run
Gotta take what you can
Never stop
Oh make like a man

Never slow down dk dk down down
dk dk down down
dk dk down down

I'm a road runner, I'm road running
yeah I'm a road runner oh...
I'm a road runner, I'm road running
yeah I'm a road runner oh...
Not too late
Never had a watch
That old parlait
Tick-tickedy-tock
Have a go Joe or (it'll) blow in your face
Never stop.
Its a human race

So Never slow down dk dk down down
dk dk down down
dk dk down down

Never never slow down
Never never slow down
Never never never never...

I'm a road runner, I'm road running
yeah, I'm a road runner oh...
I'm a road runner, I'm road running
yeah, I'm a road runner oh...

Never stop.
