

# Speak Your Mind

## Immortal Technique

You have to speak the truth  
You have to speak your mind

Every time I speak my mind I'm lyrically critical  
The pinnacle of being revolutionarily pivotal  
Beyond anything ever studied that's metaphysical  
Man fuck a minority, I'm not politically minimal  
But obviously terminologies that are statistical  
Are manufactured to be unequivocally subliminal  
Transmitted by monopolized media visuals  
So I riddle hypocritically pitiful criminals  
Habitually utilizing typical rituals  
With false pretense in attempts to be spiritual  
TO individuals who believe in biblical miracles  
Instead of themselves, because they're not thinking original  
And the color of their skin makes them feel invisible  
Like microscopic miscarriages lynched with the umbilical  
Only a fuckin' imbecile would think their uncorrectable  
Cause you're susceptible to becoming more than a spectacle  
Remember that your flesh your blood and your body are dissectable  
I'll beat you until your vegetable  
And wake up in a hospital covered in poisonous chemicals  
In a fetal position with your face sewn to your testicles  
Thinkin' that you were kidnapped by extraterrestrials  
You got heart? I'm the blood that pumps in your ventricles  
Technique, I'm like ya soul nigga.. indispensable  
With no respect for those that cower at the hour of revolution  
Cause the government owes my people restitution  
Instead of sedatives like cocaine and prostitution  
Conclusion is that you'll have to violently silence me  
Cause I raid the airwaves of cutthroat piracy  
In school my teachers blinded me  
But now I can see  
I'm mentally and revolutionarily free  
Broadening Horizons about what my people could be  
If we wasn't set up to get shot locked or OD  
You see families bleed because of corporate greed  
And monopolizing weed is virtually impossible  
So it won't be legalized and that's another obstacle  
But I'm still rollin' up pocket fulls of tropical  
The governments involved directly so it's unstoppable  
Like a nuclear rocket full of biochemical toxins that invade the ecological  
Improbable that the average intellect could understand  
So I encrypted this into hip hop that's in high demand  
and spread it through the ghetto of every city like contraband  
Stomp a man of any complexion with a devilish nature  
Cause I'm tryin' to save the earth, but you're just next in line to rape her
