## Airplane

## **Imogen Heap**

Drifting though the atmosphere And up into space Leave behind the moon he's sitting In his special place

Some flutterbies they enter and they Play around in my soul And once again part of me Fills up to be whole

Da da day, just flying in my airplane

Peaceful colors everywhere Purples and deep blues Feeling so at home here, oh As if up here i grew

It's so beautiful up here now Oh, I think I might just stay All alone and by myself So free and far away

Da da day, I'm with my aeroplane

I can see heaven, heaven down below I look at heaven And an angel who I know I can see heaven, heaven down below

Da da day, I'm with my aeroplane Just happy to be me again
