

## Rise

Impellitteri

You're riding high on a dream tonight, you're on fire  
You got the power to make it right, let me take you higher

Rise to the challenge, Dare to deliver  
Rise to the challenge, Chasing the dream  
Rise, to the challenge, Stand and deliver, c'mon!

1000 dreamers will come and go, but you're a fighter  
You got the courage to steal the show, you're a real live wire

Rise to the challenge, Dare to deliver  
Rise to the challenge, Chasing the dream  
Rise to the challenge, Stand and deliver  
Rise to the challenge, Living the dream  
You got the whole world in your hands

Rise to the challenge, Dare to deliver  
Rise to the challenge, Chasing this dream  
Rise to the challenge, Stand and deliver  
The whole world in your hands

You're out to conquer the whole wide world, to slay the masses  
You got the talent you got the skill, got to have the mind set

Rise to the challenge, Dare to deliver  
Rise to the challenge, Chasing this dream  
Rise to the challenge, Stand and deliver  
Rise to the Challenge, Living the dream
