

## Sumerian Awakening

### Impending Doom

By the Blood of ENKI we were spawned  
A cruel Creature, who are you unknown

Bloodred Waves are crushing in your Face  
Await the Revenge of a forgotten Race

Fear them

Once there was a Battle in the Universe  
The Old Ones were cursed for a couple of  
Thousand Years

Disciples prepare their second Coming  
The Magic Stone, the Magic Signs, Blood is  
Running

Fear them

Let rise the Realm of Dead  
And let them smell the Incense  
They open wide the Gates  
And the mighty Serpent rises

IAK SAKKAK  
IAK NINNGHIZHIDDA

See them fall & rise

We, who we are from the Blood of the Dead  
The Spawn of KINGU  
Formed by the Hands of MARDUK  
Infernal Minds became Flesh

Listen - So be the Pact  
So be it  
Dead but dreaming
