

Otherside

Imperia

When you are not here
It is always something lost
Without you I can't get happy

When I close my eyes
I see you dancing
Running into
Running into the sunset

Then I saw your eyes
I saw your eyes
Look at me
Then I saw you smile
I saw you smile at me

Rainbow let me walk on you till
I reach the other side
Where it's not raining sorrow
Where I can open my eyes

When I close my eyes
I see you dancing
Running into
Running into the sunset

Then I saw your eyes
I saw your eyes
Look at me
Then I saw you smile
I saw you smile at me

Then I saw your face towards me
Then I saw your eyes look at me

When I close my eyes
I see you dancing
In the sun
Running into the sunset

Then I saw your eyes
I saw your eyes look at me
Then I saw you smile
I saw you smile at me
Then I saw your face
I saw your face towards me
Then I saw your eyes
I saw your eyes look at me
