

## In & Out Of Love

IMx

Yeah I'm so tired of seeing you like this  
All stressed out, don't know what to do  
I know, I'm everything that you want and you need  
So why you staying with him  
When you need to be with me  
Ya know, well hey listen up

What did he do?  
What did he say?  
To make you feel this way  
No way, no how  
He didn't love you in the first place  
(He didn't love you, no, no, no)  
He must have been foolish  
To let a love like yours slip away  
So wonderful and so beautiful  
He would never know, oh no, oh no

What would it take to make you leave?  
Cause he's not really what you need  
So go on and tell him that you wanna be with me  
You're going in and out of love
