Resin

In Flames

A sad song it was, Through renewal it brought And a month seems sometimes shorter Than a half nights longing

Hidden and hard are the reasons for war Polar twist, invert and flea

I can't dissolve this feeling of mine But patience will unlock the door And the maps of reasons re-written for me When the wait is over and the punishment is due Each day I crawl to the hall of the giants

And I beg for mercy -And I beg for mercy in vain One night is a mare - two is worse How can I manage three?
