

Sober and Irrelevant

In Flames

Used to be original,
but now I tremble in fear
I am like everyone else
alabary spell

Is this how it feels
to reach black bottom
want to know how it feels to be forgotten

I become the distance,
I am the sober and irrelevant,
I don't feel but in this,
what is there to believe ?

I'm not asking for much
just a moment
a chance to pick up the pieces
happiness please come home

what if it ends right here
how do I change it
Hoping to find a saviour
I lost my way

I become the distance,
I am the sober and irrelevant,
I don't feel but in this,
what is there to believe ?

is this how it feels
to reach black bottom
want to know how it feels to be forgotten
hoping to find a saviour

I lost my way

I become the distance,
I am the sober and irrelevant,
I don't feel but in this,
what is there to believe ?
