Used to be original, but now I tremble in fear I am like everyone else alabary spell

Is this how it feels to reach black bottom want to know how it feels to be forgotten

I become the distance,
I am the sober and irrelevant,
I don't feel but in this,
what is there to believe?

I'm not asking for much
just a moment
a chance to pick up the pieces
happiness please come home

what if it ends right here how do I change it Hoping to find a saviour I lost my way

I become the distance,
I am the sober and irrelevant,
I don't feel but in this,
what is there to believe?
