

Let There Be More Light

In The Woods...

[Roger Waters, 1968]

Far, far, far away - way
People heard him say - say
I will find a way - way
There will come a day - day
Something will be done.

Then at last the mighty ship
Descending on a point of flame
Made contact with the human race
And at Mildenhall

Now, now, now is the time - time
Time to be - be - be aware

Carter's father saw it there
And knew the Rhull revealed to him
The living soul Hereward the Wake

Oh, my, something in my eye - eye
Something in the sky - sky
Waiting there for me

The outer lock rolled early back
The service men were heard to sigh
For there revealed in flowing robes
Was Lucy in the sky

Oh - oh - did you ever know - know
No no never ever will they
I'll say!

Summoning his cosmic power
And then glowing from his toes
His psychic emanations flowed
