

# The Titan

In Vain

The global age is right upon us  
The coming of a new kingdom  
A colossus athwart the world

A one world government  
The titan is rising in malice  
A global domination  
The titan will rule the earth

A new empire is rising  
Mounting from greed and lust  
A new world order  
Mounting from greed and lust  
Their hidden agenda  
Total control  
By the keepers of darkness  
We are all enslaved
