

Can't Say No

Inara George

you can't say no
i know, i can;t say no
you can't say no
i know, i can;t say no
you can't say no
i know, i can;t say no
you can't say no
i know, i can;t say no

if you believe what i believe
if you believe what i believe
i won't cause any problems
i will give you what you need

i know there's a crack in the ceiling
i don't have much to believe in
can you hear my mechanics
all the buzzing of my bees

you can't say no
i know, i can;t say no
you can't say no
i know, i can;t say no
you can't say no
i know i can;t say no
you can't say no
i know, i know

if you believe what i believe
if you believe what i believe
i will drink all the water
that you place in front of me

wing it on and send it away
do you remember what i said yesterday
my machine is still working
but my hands are cold as clay

you can't say no
i know, i can;t say no
you can't say no
i know, i can;t say no
you can't say no
i know, i know, i know
you can't say no
i know, i can't say no

if you believe what i believe
i know i know i know
