Fools In Love

Inara George

Fools in love Are there any other kinds of lovers? Fools in love Is there any other kind of pain?

Everything you do, everywhere you go now Everything you touch, everything you feel Everything you see, everything you know now Everything you do, you do it for your baby Love your baby, love your baby, love

Fools in love Are there any creatures more pathetic? Fools in love Never knowing when they've lost the game

Everything you do, everywhere you go now Everything you touch, everything you feel Everything you see, everything you know now Everything you do, you do it for your baby Love your baby, love your baby, love your baby, love

Fools in love, they think they're heroes 'Cause they get to feel no pain I say fools in love are zeros, I should know I should know because this fool's in love again

Fools in love Gently hold each other's hands forever Fools in love Gently tear each other limb from limb

Everything you do, everywhere you go now Everything you touch, everything you feel Everything you do, even rock 'n' roll now Nothing mean a thing except you and your baby Love your baby, love your baby, love

Fools in love, they think they're heroes 'Cause they get to feel no pain I say fools in love are zeros, I should know I should know because this fool's in love again
