

Oh My Love

Inara George

Oh and the rain and the lying about
makes us say all the things that we're wanting aloud

Close up the house as fast as you can
for the rest of the night tell me how we began

Oh my love
oh my love
oh endless size of my love
of my love
oh oh oh
my love

What will we make that will keep us around
we are sending this up never keeping it down
how old will be when we come to our end
nevermind nevermind
let me tell you again

Oh my love
oh my love
oh endless size of my love
of my love
oh oh oh
my love

Oh oh oh oh
(oh oh oh)
oh oh oh oh
(oh oh oh)
my love

Oh and the rain and the lying about
makes us say all the things that we're wanting aloud
