

We will be pure in the abyss.  
Salvation.  
Reigns...

Praying for a dying religion.  
The lord will bless us...  
Misfortune of God.  
The throne is lost.  
Christ's fate.  
Was a lie...

Beyond the holy grounds.  
His souls are torn apart.  
Reality has descended upon.  
Abominations is the love of God...
