

Moved By You

India.Arie

La, la, la
La, la, la
La, la, la
Oh, oh

La, la, la
La, la, la
La, la, la
La

I love the fragrance of your voice,
You're the color of Loyalty,
My favorite sound is your smile,
I'm intoxicated with joyful

Oh, I am moved by you
Oh, I am moved by you

I feel you on the bottom of my feet,
The very blush in my cheek,
I love the taste of the words you don't say,
You're the very meaning of peace,
I am a 10 thousand petal flower,
Unfolding in this moment,
I feel so vulnerable and so empowered,
It's everything, it's nothing, it's perfect

Oh, I am moved by you,
Oh, I am moved by you

You're the eyes of a child,
You're a horse running wild,
You're the cracking open of a heart,
You make me feel so alive,
I am honoured to know,
The twinkle of your star,

Oh, I am moved by you,
Oh, I am moved by you

Hey,

La, la, la (I am moved)
La, la, la (Hey, nothin, nothin, nothin, moves me like you move me)
La, la, la (oh, mmm, I am moved by you)

I give thanks for my time upon the planet Earth,
By all of your beauty,
I am so inspired,
Your love has baptised me by fire,

Oh, I am moved by you
Oh, I am moved by you

Oh, I am moved by you
(I just wanna say thank you)
Oh, I am moved by you

(Thank you, thank you)

Oh, I am moved by you,
Oh, I am moved by you
