

I believe in open doors
I've taken off the screen
I'm ready to let the world come inside
And touch my life

I will no longer be defined by
What someone else believes that I am
Now that I have dropped the weight
It's time to elevate

Lift your eyes
Spread your wings
Prepare to fly
This is the moment
Of your life
Go ahead and fly

I believe in open doors
I'm outside of the box
What did not demolish me
Simply polished me
Now the clearer I can see

I know where I wanna go
I am living in the flow
And now that I have dropped the weight
It's time to elevate

Lift your eyes
Spread your wings
Prepare to fly
This is the moment
Of your life
Go ahead and fly

I believe in open doors...
