

it's hard to explain the way i feel  
can't jeopardize my macho sex appeal  
immune to all feeling, i just don't understand  
must be cold and shallow, a real macho man  
time to think...  
this attitude stinks!  
warm human feelings must be kept inside  
machismo is at stake, just think if you cried  
tell people how you feel, they might think you're screwed  
tell them where to shove their bullshit attitude!  
macho bullshit attitude
