

# Terminal Nation

Infest

Under siege we pray to God  
Visible evil rabid dog

Rotting nation  
Filthy nation  
Stone cold nation  
Ugly nation  
Armageddon by design  
Punishment ripping through

Hated nation  
Backless nation  
Broken nation  
God damned nation

United we stand  
One carcass we fall  
Isolated  
A quivering mass  
Revoked lives  
Possessed by greed  
Bulldozed to hell  
Another culture deceased

Powerless nation  
Darkened nation  
Terminal nation  
Flame filled nation  
Dies!
