Terminal Nation

Infest

Under siege we pray to God Visible evil rabid dog

Rotting nation
Filthy nation
Stone cold nation
Ugly nation
Armageddon by design
Punishment ripping through

Hated nation
Backless nation
Broken nation
God damned nation

United we stand
One carcass we fall
Isolated
A quivering mass
Revoked lives
Possessed by greed
Bulldozed to hell
Another culture deceased

Powerless nation
Darkened nation
Terminal nation
Flame filled nation
Dies!
