

## Auld Lang Syne

Ingrid Michaelson

Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot  
And auld lang syne?

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness, yet  
For auld lang syne

And here's a hand my trusty friend  
And give a hand of thine  
We'll take a cup of kindness, yet  
For auld lang syne

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness, yet  
For auld lang syne

Should old acquaintance be forgot  
And never brought to mind?  
Should old acquaintance be forgot  
And auld lang syne?  
And auld lang syne?  
And auld lang syne?
