

In Between

Inhabited

Have you ever wished upon a star
You could be someone else
Besides who you are
Have you ever wished upon a star
You could wake up and find yourself dreaming again

Oh I've been there before
When I kept running from myself
All I could do was say

I'm stuck in between the walls that confine me
Won't You let me out
When I let go and let You take control
I give You everything, everything I am

Have you ever wondered why you
Find yourself looking in the mirror again
Oh and nothings changed you're still the same
You're picking up the pieces you tossed in the wind
They're coming back again

Oh I've been there before
When I kept running from myself
All I could do was say

I'm stuck in between the walls that confine me
Won't You let me out
When I let go and let You take control
I give You everything, everything I am

Oh, I put my trust, I put my hope in You my God
Oh, it's not this way
It's not that way
I'm finding for myself
It's not this way
It's not that way, away

I'm stuck in between the walls that confine me
Won't You let me out
When I let go and let You take control
I give You everything, everything I am

And I'll wait for You
I'll wait for You
