Fire of Love

Inkubus Sukkubus

Gather every nature child Gather all and merry me For tonight let us be wild And tonight let us be free!

Dance, dance in the Fire of Love Dance, dance in the Fire of Love

Underneath this endless sky We will dance till eternity Raise your arms with a primal cry For tonight we shall be free

6xDance, dance in the Fire of Love

We are the Wild Ones Children ever free We have the Spirit Within both you and me We are the Wild Ones Children ever free We have the Spirit Within both you and me We are the Wild Ones Children ever free We have the Spirit Within both you and me

6xDance, dance in the Fire of Love
