

## Underworld

**Inkubus Sukkubus**

Welcome to the Underworld  
Here thou shall be weighed for truth  
Down in Subterranea  
Far from the heat of Ra  
Within the womb of Nut he lay  
As thou within her bones shall stay  
Welcome to thy Judgement Day  
Down in the Underworld

Down, down to the Underworld

Heart of sin, come not within  
Thy fat shall feed a belly's greed  
But come, oh thou, who doth allow  
The plume to rest below  
The Utchat has secured thy path  
Thy place within the Boat of Ra  
Descend thou with a willing heart  
Down to the Otherworld.
