

# So You Know

InMe

Just so you know, just so you know  
Just so you know, just so you know

I got to find a way to grieve without my head sticking into my heart  
I don't want to let her leave without my heads thinking this is the start  
I was dreaming before that she believes that I'm the one who's on her side  
Cannot let this go until I get my way  
Stay

Just so you know  
Just so you know  
I never believed you  
Just so you know  
Just so you know  
I want you to stay

Looking closely at a picture of myself from years ago  
Looking closely at a stranger who could never let it show  
Now I still feel empty as I lay here and absorb myself  
Cannot let this go until I get my way  
Stay

Just so you know  
Just so you know  
I never believed you  
Just so you know  
Just so you know  
I want you to stay

Stay  
Stay

Stay  
Just so you know  
Just so you know  
I never believed you  
Just so you know  
Just so you know  
I want you to stay

Stay

Just so you know  
Just so you know  
I never believed you  
Just so you know  
Just so you know  
I want you to stay

Stay

Just so you know, just so you know  
Just so you know, just so you know
