

# Always On My Mind

Inna

You're always on my mind

I swear I've been down this street before  
I recognize all of the red lights  
Why I keep on coming back for more?  
I don't know why I do this to myself

I think with my heart, I love with my head  
Oh, na-na-na-na  
I don't wanna add another regret

You're always on my mind  
Like every single night, I  
Try to say goodbye, bye  
You're my favourite lifeline  
I need all the time, I  
Try to say goodbye, bye  
But you're always on my mind

But you're always on my mind  
But you're always on my mind  
Why I always see your silhouette  
In strangers I don't even recognize  
Scared of things that haven't happened yet  
I don't know why I do this to myself

I think with my heart, I love with my head  
Oh, na-na-na-na  
I don't wanna add another regret

You're always on my mind  
Like every single night, I  
Try to say goodbye, bye  
You're my favourite lifeline  
I need all the time, I  
Try to say goodbye, bye  
But you're always on my mind

But you're always on my mind  
But you're always on my mind

I think with my heart, I love with my head  
I don't wanna add another regret  
You're my favourite lifeline  
I need all the time, I  
Try to say goodbye, bye  
But you're always on my mind

But you're always on my mind  
But you're always on my mind
