

# Love Bizarre

Inna

Your love is so bizarre

Your silence is breaking my heart  
Baby, your silence is waking me up  
From my sweetest dreams  
And you know the song in my heart  
Is still about you, about you, darling

And tell me, tell me, tell me, baby  
Tell me, what's your secret  
I promise, promise, promise, baby  
Promise that I'll keep it  
And show me, show me how to love  
And show me when you need me  
Just tell me what you feel like

Your love is so bizarre  
You make me drift too far  
Keep me where you are  
Yeah, your love  
Your love is so bizarre  
But I love it, I  
Keep me where you are

Your love is so bizarre  
Your love is so bizarre

I'll cry till our bodies align  
You have to try to and speak your mind  
I can't do it all alone, fight  
The ghosts of your mind  
'Cause all my love is still 'bout you, darling

And tell me, tell me, tell me, baby  
Tell me, what's your secret  
I promise, promise, promise, baby  
Promise that I'll keep it  
And show me, show me how to love  
And show me when you need me  
Just tell me what you feel like

Your love is so bizarre  
You make me drift too far  
Keep me where you are  
Yeah, your love  
Your love is so bizarre  
But I love it, I  
Keep me where you are  
Your love is so bizarre

Your love is so bizarre  
Your love is so bizarre

I was open-hearted  
Look what you just started  
Chaos for a quiet mind  
Now I'm broken-hearted

Look what you just started  
Chaos for a quiet mind

Your love is so bizarre  
You make me drift too far  
Keep me where you are  
Yeah, your love  
Your love is so bizarre  
But I love it, I  
Keep me where you are

Your love is so bizarre  
Your love is so bizarre
