

# Sun Goes Up

Inna

Sun goes up  
Everybody move your body  
Sun goes up  
Everybody after party  
Sun goes up  
Everybody move your body  
Sun goes up, come light

Four'o'clock in the morning, time to party  
Time to let it out  
Wanna dance to the sunlight  
And I know you'll join me tonight

I wanna feel it, I wanna feel it tonight  
I wanna feel it, I wanna feel it so tight

Tell me where's the party, tell me where it went  
Just wanna keep it going 'til 4AM  
And we are gonna do it, gonna do it all again  
Oh, when the sun goes up  
Move a little so tell me what you like  
And come and give it to me, cause it feels so right  
I gotta do it, gotta do it all again

Sun goes up  
Everybody move your body  
Sun goes up  
Everybody after party  
Sun goes up  
Everybody move your body  
Sun goes up, come light

I wake up feeling hazy  
It's so crazy  
Do it all again  
Went and danced and it's over  
And I need you, join me tonight

I wanna feel it, I wanna feel it tonight  
I wanna feel it, I wanna feel it so tight

Tell me where's the party, tell me where it went  
Just wanna keep it going 'til 4AM  
And we are gonna do it, gonna do it all again  
Oh, when the sun goes up  
Move a little so tell me what you like  
And come and give it to me, cause it feels so right  
I gotta do it, gotta do it all again

Sun goes up  
Everybody move your body  
Sun goes up  
Everybody after party  
Sun goes up  
Everybody move your body  
Sun goes up, come light

Tell me where's the party, tell me where it went  
Just wanna keep it going 'til 4AM  
And we are gonna do it, gonna do it all again  
Oh, when the sun goes up  
Move a little so tell me what you like  
And come and give it to me, cause it feels so right  
I gotta do it, gotta do it all again

Sun goes up  
Everybody move your body  
Sun goes up  
Everybody after party  
Sun goes up  
Everybody move your body  
Sun goes up, come light
