

THICKY

Inna

Her engines started, his thrive is thick
Inside his pocket, he's got a brick
But he can push it fast like a whip
We're bargaling now, this man is it

Thicky, thicky, thick is good
Thicky, thicky, thick is good
Thicky, thicky, thick is good
Shake it (Thi-thick is good)
Thicky, thicky, thick is good
Thicky, thicky, thick is good
Thicky, thicky, thick is good
Shake it (Thi-thick is good)

And now, go down
Stay there, don't move
And now, swerve
Drive my body like them curves
(Thi-thick is good)
And thicky, thicky, give it good
Thicky, thicky, give it good
Thicky, thicky, give is good
Shake it (Thi-thick is good)
And now, go down
Stay there, don't move

They're a little party go back for this
He's got a rocket, I'm feeling it
He likes the kitty, I dog with it
No time for drinks now, just get me here
