

# Walking On the Sun

Inna

We're walking on the sun, sun, sun  
Boy you turn me on  
We're walking on the sun, sun, sun  
Like no other one  
We're walking on the sun, sun, sun  
Feel the heat, it's on  
We're walking on the sun, sun, sun  
Let's turn up the love

Red bull cans, tequila  
Say all night (all night)  
Mi casa es tu casa  
Table dance  
We got sangria  
A-a-arriba  
Mi casa es tu casa

We can dance, we can jive, we can shake if you wanna  
We can touch, we can play, we can, hey, whatever  
The night is young and you're so fine, got me dance the Lamba  
Oh, we can dance, oh, we can jive, oh, we can shake if you wanna

We're walking on the sun, sun, sun  
Boy you turn me on  
We're walking on the sun, sun, sun  
Like no other one  
We're walking on the sun, sun, sun  
Feel the heat, it's on  
We're walking on the sun, sun, sun  
Let's turn up the love

Mi casa es tu casa  
Red bull cans, tequila  
Body, tequila  
Mi casa es tu casa  
(Can I get a) Table dance  
We got sangria  
A-a-arriba  
Mi casa es tu casa

We can dance, we can jive, we can shake if you wanna  
We can touch, we can play, we can, hey, whatever  
The night is young and you're so fine, got me dance the Lamba  
We can dance, we can jive, we can shake if you wanna

We're walking on the sun, sun, sun  
Boy you turn me on  
We're walking on the sun, sun, sun  
Like no other one  
We're walking on the sun, sun, sun  
Feel the heat, it's on  
We're walking on the sun, sun, sun  
Let's turn up the love  
Mi casa es tu casa

Let's release the tension  
Feel my body baby

Need no conversation  
You had me at hello  
Got all of my attention  
Feel my body baby  
Need no conversation  
You had me at hello

We're walking on the sun, sun, sun  
Boy you turn me on  
We're walking on the sun, sun, sun  
Like no other one  
We're walking on the sun, sun, sun  
Feel the heat, it's on  
We're walking on the sun, sun, sun  
Let's turn up the love  
We're walking on the sun, sun, sun  
Boy you turn me on  
We're walking on the sun, sun, sun  
Like no other one  
We're walking on the sun, sun, sun  
Feel the heat, it's on  
We're walking on the sun, sun, sun  
Let's turn up the love
