

We're Going in the Club

Inna

We're going in the club,
Bring all the friends we've got,
We party like yeee yeee.

(Cuz' tonight)
We gonna stop the time,
We gonna break the line,
We're going like yeee yeee.

(Cuz' tonight)
I got you by my side,
Together you and I,
Cuz' toninght...

You got me going,
I got the feeling that tonight
We'll catch the mornin',
When I have you by my side
I'm feel with lovin'
You turn me on, you turn me off,
You got me going. (2x)

This is the moment of love
And tonight is the night,
I close my eyes
And we're dreamin' together.
I'm gonna live 'till I die,
Everyday of my life
I close my eyes,
And we're dreamin' together.

(Cuz' tonight)
We're going in the club,
Bring all the friends we've got,
We party like yeee yeee.

(Cuz' tonight)
We gonna stop the time,
We gonna break the line,
We're going like yeee yeee.

(Cuz' tonight)
I got you by my side,
Together you and I,
We gonna party yeee yeee.

(Cuz' tonight)
We gonna stop the time,
We gonna break the line,
We're going like...

Boom-boom, eoo,
Boom-boom, eoo,
Boom-boom, eoo,
Boom-boom, eoo,
(2x)

We gonna party yeee yeee.

(Cuz' tonight)
We gonna stop the time,
We gonna break the line,
We're going like...
