

# Dark Mutilation Rites

## Inquisition

Dark Mutilation Rites  
Unholy rites of blood and knives  
Self inflicted wounds for my lord of Hell

Altar calls my name; I shall summon my own death  
Take my offer to you king of all kings

Far inside our temple black candles burn  
Six inverted crosses hang on the walls

Mutilation now begins as the ancient cult chants  
I cut my flesh in the name of Satan

Cut, cut, so deeply cut, drain your life for me  
High above the cosmic sky, thrones of black await  
Far below the black soiled earth, thrones of fire await  
Cut, cut, so deeply cut, give your soul to me
