

Bugz on My Nugz

Insane Clown Posse

Well, I don't understand the phenomenom
We f*cking these hoes that look like spallala
Rich boys think that is shitty
But I like f*cking crackheads with one tit
And I do it at the drop of a dime
And I get the scabies almost every time
So let's talk about my nutsac
I don't front, Jack, I got bugs on my ballzac

Well I'm Violent J and I ain't no bitch
I'm always quick to tell you when my nuts itch
Cuz bitch if I'm itching when I come home
Drop a brick in a sock swing it on your dome
You didn't think nothing of it, just let me stick it
Probably should of known cuz I thought I heard crickets
In your neden, but I ain't sayin nuttin though
I ain't sayin nuttin till I'm done nuttin, ho
And know I'm like bitch how can this be
Tryin to sleep and my nuts get up and watch TV
Then try to walk to the store and get a 40
How'd these bugs get on me

Somebody asked me how I got scabies
Probably that homeless fat redneck bad lady
That I f*cked in the shed
Then the little critters on my dingaling said

Your nuts we want your nuts
We'll itch and scratch and bite your nuts
Your nuts we want your nuts
Please, oh please, f*ck dirty butts (sluts)

I met this bitch and went up in it
Dropped her off, went to the clinic
Bitch, I got bizugs on my signac
So tell me what's up with that
Should of said something bout your bug problem
Now I'm gonna have to sock you in your mouth, bitch
Can't keep my motherf*cking hands out my drawers
Stick a roach motel up under your balls
Nah, I'd rather stick em in a deep fry
And sizzle those motherf*ckers off my wang

So you wanna f*ck around, always gotta buck around
Lift up your dingaling nothing but a bug ya found
Now they call you funky nuts cuz you like funky butts
Scratching and biting them, now they call you monkey nuts
But I ain't sayin nothing, cuz you ain't playin nothin
Bring the track back and I get back to the nutsac track

So now I try to rap cuz the bugs is biting
But I ain't going out like a bitch, yo, f*ck that
Stick em in a blender and hit the switch
Then I hit the bitch

Met this bum in the back of a dumpster
f*cked her in the rumpster, juggaluga humpster

Had to take a piss, so I pulled out my wang
Then I heard my dingaling sang
