

## Shine Like It Does

INXS

This is the power  
Since time began  
Every single hour  
That we have known  
And from each moment  
All that is left  
Sleep of the innocent  
Just one desire

Shine like it does  
Into every heart  
Shine like it does  
And if you're looking  
You will find it  
You will find it

This is the story  
Since time began  
There will come a day  
When we will know
