## **Only the Good Die Young**

## Iron Maiden

The demon in your mind will rape you in your bed at night The wisdom of ages, the lies and outrages concealed Time it waits for no man
My future it is revealed
Time it waits for no man
My fate is sealed

If I cancel tomorrow the undead will thank me today
Fly in the face of your prophets I mock your morality plays
The moon is red and bleeding
The sun is burned and black
The book of life is silent
No turning back

Only the good die young
All the evil seem to live forever
Only the good die young
All the evil seem to live forever
Only the good die young
Only the good die young

Mystery madman a victim of cruel charade Some innocent pawn in an end game one more stalemate Is death another birthday? A way to kiss your dreams goodbye? Do the undead live within us And look through our eyes?

Walking on water are miracles all you can trust
Measure your coffin does it measure up to your lust?
So I think I'll leave you
With your bishops and your guilt
So until the next time
Have a good sin

Only the good die young
All the evil seem to live forever
Only the good die young
All the evil seem to live forever
Only the good die young
Only the good die young

Seven deadly sins Seven ways to win Seven holy paths to hell

Seven downward slopes Seven bloodied hopes Seven are your burning fires Seven your desires...
