

The Hellion / Electric Eye

Iron Savior

Up here in space
Im looking down on you
My lasers trace
Everything you do

You think youve private lives
Think nothing of the kind
There is no true escape
I'm watching all the time

I'm made of metal
My circuits gleam
I am perpetual
I keep the country clean

I'm elected electric spy
I'm protected electric eye

Always in focus
You cant feel my stare
I zoom into you
You dont know Im there

I take a pride in probing all your secret moves
My tearless retina takes pictures that can prove

I'm made of metal
My circuits gleam
I am perpetual
I keep the country clean

I'm elected electric spy
I'm protected electric eye

Electric eye, in the sky
Feel my stare, always there
There's nothing you can do about it
Develop and expose
I feed upon your every thought
And so my power grows

I'm made of metal
My circuits gleam
I am perpetual
I keep the country clean

I'm elected electric spy
I'm protected electric eye

Protected. Detective. Electric eye.
