

Type Thang

Isaac Hayes

It's a dance type thang
She's everywhere
It's a rip type thang
I'm gonna rip my share, yeah
It's a funky type thang
'Cause the band is groovin'
And you're a square type thang
If your feet ain't movin'

Groove to the left and groove to the right, yeah
Just keep on groovin' all night

She's a sexy type thang
Lord she sure is fine
That makes a mellow type thang
When I'm cruising on cloud nine
It's a love type thang
'Cause that's what we'll soon be making

It's a rip type thang
'Cause my heart has been taken, yeah

Well lil' mama it didn't take long
For you to really turn me on

Turn me on

It's a rip type thang
It's a dance type thang
It's a funky type thang
She's a sexy type thang
And it's a mellow type thang
It's a love type thang
It's a rip type thang
It's a mellow type thang
It's a rip type thang
It's a mellow type thang
