

## Your Sake

### Issues

I don't love you like you think I do  
It's not because I found somebody new  
It's not because of anything you did  
It's because of what I've failed to do

I can't live with this guilt  
I won't put you through hell  
No more than I've already caused you  
Hurts to say I blame myself  
I know you're holding on  
God must've built me wrong  
I hid who I was in the dark  
But now the lights are coming on

Wish I could be somebody else for your sake  
I'm only lying to myself if I stay  
I'll cherish everything we had to this day  
Wish I could be somebody else for your sake  
Wish I could be somebody else  
Wish I could be somebody else  
I'm only lying to myself if I stay  
I swear I'd be somebody else for your sake

I don't love you like you think I do  
I'm just in love with all that we've been through  
You're always bringing out the best in me  
And I don't wanna lose a friend in you

I can't live with this guilt  
I won't put you through hell  
No more than I've already caused you  
Hurts to say I blame myself  
I know you're holding on  
God must've built me wrong  
I hid who I was in the dark  
But now the lights are coming on

Wish I could be somebody else for your sake  
I'm only lying to myself if I stay  
I'll cherish everything we had to this day  
Wish I could be somebody else for your sake  
Wish I could be somebody else  
Wish I could be somebody else  
I'm only lying to myself if I stay  
I swear I'd be somebody else for your sake

It's taking all I have in me  
To tell you to your face  
That all I have in me  
Is nothing you can change  
I never had a choice  
And that's more than you can take  
But I swear that if I did  
You know what I would say

Wish I could be somebody else for your sake  
I'd just be lying to myself if I stay

I'll cherish everything we had to this day  
I swear I'll be somebody else

Wish I could be somebody else for your sake  
I'm only lying to myself if I stay  
I'll cherish everything we had to this day  
Wish I could be somebody else for your sake  
Wish I could be somebody else  
Wish I could be somebody else  
I'm only lying to myself if I stay  
I swear I'd be somebody else for your sake

I'm only lying to myself if I stay  
I'll never be somebody else for your sake
