Wait!

I see your mouth is moving but I think I shut you out What is this anyway? Trust? What's wrong with everyone it's just a word forget it

Damn I think you better learn from me

Look at me!

Freak!

Look at me!

Or is it me who's freaking out? That's not your business What? Who do you think you are? you're still around I'm sorry I got lost in myself Heres to you and kiss my ass for free
