

The Lottery

Itchy Poopzkid

Today I woke up
And looked outside
They're all moving so fast
They're all moving so fast
This light is far too bright
Then I got dressed up
And sat down again
Oh I wish I was different
I wish I was different
The pettiness remains

And I must
Admit
I've never won the lottery
Maybe just
Because
I never played

And so I waste my days
Without a light to chase
I gotta leave this place
Or find a way
But I just sit and
Pray right here
What is it that I fear?
I need a remedy
In any way
Today's my lucky day

Sometimes real life
Seems so afar
But you're never as lonely
You're never as lonely
As you think that you are
Need to remember
What I was taught
The role of your lifetime
The role of your lifetime
Is to never get caught

And I hope
You know
That I didn't mean the lottery
I just think
I should
Start to live

I won't waste my days
Without a light to chase
I gotta leave this place
Or find a way
I won't just sit and
Pray right here
What is it that I fear?
I need a remedy
In any way
Today's my lucky day

And I hope
You know
That I didn't mean the fucking lottery
I just think
I should
Start to live

I won't waste my days
Without a light to chase
I gotta leave this place
Or find a way
I won't just sit and
Pray right here
What is it that I fear?
I need a remedy
In any way
Today not stop to
Waste my days
Without a light to chase
I gotta leave this place
Or find a way
I won't just sit and
Pray right here
What is it that I fear?
I need a remedy
In any way
Today's my lucky day
