

# Who Will I Be

Ivanhoe

Look out and the sun will shine  
No place to hide in front of my time  
All my ways come to one end  
All the love that I give, all the time that I spent  
My heart beats like a drum to the things I say, to the things I  
've done

Now's the time to ask myself is it liife that I live  
I live on my own?

Who will I be when my end is near?  
How does it feel?  
The target is clear, but I live with fear

Farewell for a little while  
From a twilight dream, from the pain that I love  
Like the stream has reached the sea  
There's a reason to be for all that we see  
Yet quietly I will search for peace of my soul, for the real lo  
ve

The faithful say believe in god, is it a solution  
Or just an illusion?

Who will I be when my end is near?  
How does it feel?  
The target is clear, but I live with fear

Stand up just one more time  
The dark behind the sun to find  
Sand upon the shores of time  
I'm a part of this world, the world I live in  
Oceans of tears to drain and dream away my last pain

I'm dancing with my memories to the music of love in shadows of  
pain

Who will I be when my end is near?  
How does it feel?  
The target is clear, but I live with fear
