

# Alive

Ivy Levan

Take me back to the moment  
Take me back to the start  
Take me back to the days we lost our time  
We were drivin' and drinkin'  
Takin' pills in a Lincoln  
Missed it if you were blinkin' on the night

Don't believe a word they say  
You never listened anyway  
No way

You won't take me alive  
You won't take me alive  
You won't take me alive 'cause I've got so much more to live for  
You won't take me alive  
You won't take me alive  
You won't take me alive 'cause I've got so much more to live for

You were open and broken  
All the pain you were holdin'  
Like a light when it flickers all night long  
You go on like the ocean  
Forever and golden  
Now I'm nothing but empty and now you're gone

Don't believe a word they say  
You never listened anyway  
No way

You won't take me alive  
You won't take me alive  
You won't take me alive 'cause I've got so much more to live for  
You won't take me alive  
You won't take me alive  
You won't take me alive 'cause I've got so much more to live for

All the lonely days and wasted nights  
Or the best of times and the worst of fights  
I live for, oh I live for

I don't wanna let go  
But I gotta let go  
Now it's time for you to go home  
I don't wanna let go (I don't wanna let go)  
But I gotta let go (I gotta let go)  
Now it's time for you to go home

You won't take me alive  
You won't take me alive  
You won't take me alive 'cause I've got so much more to live for (To live, to live, to live for)  
You won't take me alive  
You won't take me alive  
You won't take me alive 'cause I've got so much more to live for (To live, to live, to live for)

All the lonely days and wasted nights

Or the best of times and the worst of fights  
I live for, oh I live for  
All the lonely days and wasted nights  
Or the best of times and the worst of fights  
I live for (I live for), oh I live for (I live for)

I don't wanna let go  
But I gotta let go  
Now it's time for you to go home
