Izrael

Live up, live up to your culture
Live up, live up to your personal style
Culture is how you live
Culture is how you die
Culture is how you love
Culture is how you fight
Live up, live up to your culture
Dis'ya culture, what you've done to your neighbors
Dis'ya culture, what you've done to your brothers & sisters
Dis'ya culture, what you've done to all people
Dis'ya culture, what you've teachen your children
Live up for the truth in your heart
Live up, live up don't go to the dark
Jah children say the truth day by day
The culture is what we say
The culture is what we do
The culture is your soul & blood
Live up, the culture is in your soul
