Hello (6x)

And I thought about you today  
And I thought about the things you used to say  
And I thought about the things we did  
And I thought about your newest kid  
And damn that makes 2 now  
Oh what do I do now?  
Cause if we ever got together  
I'd have to be them niggas step-pops forever  
And well that ain't my thing cause I  
I ain't even got my own  
And I ain't really got no home  
No place to put these things I own  
And I thought about the things you used to say  
And I thought about the games you used to play  
And I thought about that little kid  
And I thought about the things we did  
I always thought that we would be together  
I always knew that we would be together  
But I don't wanna wait forever  
I don't wanna wait forever

Hello

Hello, hello?  
Shit seem so sad when you look back (9x)  
Everything's so sad when you look back

On the rebound like a book back  
On the rebound like a put back  
Don't just sit back, bitch get on it  
Time fly by way too quick don't it  
Reflection bring regrets don't it  
Rejection makes you defensive  
So you protect your pride with your reflexes  
But life is a game with no reset on the end

It ain't no lookin' back, no, no, no, no  
It ain't no lookin' back, no, no, no, no  
It ain't no lookin' back, no, no, no, no  
It's all good
