

# Best I Can

J Rice

Trying hard not to bobble it up  
But I'm scared letting you down  
Like a knot in the pit of my gut  
Moving up to my neck now

Running wild in my mind  
What you're gonna say  
What you're gonna think  
Will you be disappointed in me?

Cuz I try so hard  
I fly but I'm scarred  
Will you ever forgive me  
Will you understand  
I'm lining up I'm gonna take my shot  
I'm doing the best I can

The best  
The best I  
The best best  
The best I can  
The best  
The best best  
The best

Feeling like I may run outta luck  
Need a boost of my ego  
Losing speed and I need to duck  
But can't seem to let go

Running wild in my mind  
Are you gonna wait  
If I lag behind  
Will you stop, grab a hold of me

Cuz I try so hard  
I fly but I'm scarred  
Will you ever forgive me  
Will you understand  
I'm lining up I'm gonna take my shot  
I'm doing the best I can

The best  
The best I  
The best best  
The best I can  
The best  
The best best  
The best

Spinning round and round and round and round we go now  
Moving how we wanna going up and down and sideways now  
Gotta go, flying low, wanna know if we'll ever get back to land  
I don't care if we end up champs  
I'm doing the best I can

The best

The best I  
The best best  
The best I can  
The best  
The best best  
The best
