

Creation

J Rice

I've been waiting so long to see you
I never knew how good it could feel till I held you
I never imagined that one person
Could ever mean so much
But then it happened just like I prayed for
A blessing from above

There you are, what a creation
Needing my patience
Deserving all my time
So beautiful, what a creation
Simply amazing
Instantly changing my life

I realized every day I need you
I really do and if it were true, I'd still want you
And you'll always be the whole world to me
You're God's precious gift
Every time you smile, every single kiss
I give my life for this

There you are, what a creation
Needing my patience
Deserving all my time
So beautiful, what a creation
Simply amazing
Instantly changing my life

And I just want to hold you
And never let you go
And now that I have you
Baby, I won't take you for granted
Here's why
You're the greatest thing that's happened
In my life

There you are, what a creation
Needing my patience
Deserving all my time
So beautiful, what a creation
Simply amazing
Instantly changing my life
Simply amazing
Instantly changing my life
